Three Best Rated® was created with a simple goal to find you the top 3 local businesses, professionals, restaurants and health care providers in your city. We display only businesses that are verified by our employees since customers deserve only the best.

That's not all... Businesses do not pay us to list them ever. You do not pay us for the listing any time. We believe that local businesses provide better and personal services locally. Local businesses know your city better since they live there too. Our policy is free to list because if you can pay to list, then is it really the best business?

BRAND NEW!!! Use our [Custom Award Seal Maker Tool](#) for your brand promotion.

"Remembering that I'll be dead soon is the most important tool I've ever encountered to help me make the big choices in life. Almost everything--all external expectations, all pride, all fear of embarrassment or failure--these things just fall away in the face of death, leaving only what is truly important. Remembering that you are going to die is the best way I know to avoid the trap of thinking you have something to lose. You are already naked. There is no reason not to follow your heart."— Steve Jobs

"If you don't want responsibility, don't sit in the big chair. To be successful you must accept full responsibility." – Pat Summitt
